FIGMA SOFTWARE

OUTPUT SCREENSHOTS:

 Available Selected Booked

Diagram illustrating a memory layout or data structure. The layout consists of two columns of four rows each, labeled A1 through F1 on the left and A3 through F3 on the right. A 'Driver' label is positioned at the top right. The grid shows a sequence of memory addresses, with some cells highlighted in dark blue to indicate specific data points or instructions.

Column 1	Column 2
A1	A2
B1	B2
C1	C2
D1	D2
E1	E2
F1	F2

Driver

Column 3	Column 4
A3	A4
B3	B4
C3	C4
D3	D4
E3	E4
F3	F4
